

International Mountain Biking Association (IMBA) to design and build a Mountain Bike Park

The Jefferson County Parks Department is pleased to announce that it is working with the International Mountain Biking Association (IMBA) to design and build a Mountain Bike Park. The Mountain Bike Park will be on county property adjacent to the Human Services facility south of Jefferson and next to the Glacial River Trail. The Parks Department along with IMBA has reviewed the site topography and has started trail design for the property.

Volunteers will be critical in the development of this Mountain Bike Park. If you are interested in volunteering to help with this new Mountain Bike Park, please contact the Parks Department at jeffcoparks@jeffersoncountywi.gov or at 920-674-7260 to get your name on our list.
